

CONTINUOUS LEARNING

In an effort to provide required instruction to students in times of extended school closures, the Livingston Parish School Board shall implement the *Continuous Learning Plan*, which allows modified operations for continuous learning on a short-, medium-, or long-term basis. The *Continuous Learning Plan* shall be posted on the School Board's website. It shall be updated annually by June 30th, and reviewed by stakeholders.

Short-term modified operations: A significant portion of the students/staff are not able to be on campus for 1-2 days for face-to face, direct instruction. Continuous learning expectations may be limited or smaller in scope depending on resource availability (e.g. community is without electricity for two (2) days).

Medium-term modified operations: A significant portion of the students/staff are not able to be on campus for 3-10 days for face-to face, direct instruction.

Long-Term Modified Operations: A significant portion of the students/staff are not able to be on campus for more than ten (10) days for face-to face, direct instruction. Operations should have more consistency and expectations of routines and instruction.

The plan shall include, but not be limited to:

1. Technology and connectivity;
2. Student and staff responsibilities;
3. Attendance;
4. Family strategic communication, engagement, and support; and,
5. Instructional quality.

Remote instruction is an educational model in which the student and educator are not physically present in a traditional classroom environment where instruction may be facilitated by the use of computers, technology, and the internet. *Hybrid instruction* is instruction provided via a combination of face-to-face and remote models.
